Membership Application

Objectives

The objectives of the society are both scientific and cultural

i] Scientific. The advancement of historical science in the study of Australia, and the factors in general history that have had particular consequence in Australian development with special regard to those bearing upon the development of the area of Helensburgh and its environs.

ii] Cultural. The promotion of the knowledge of the history of Australia and of the traditions of our heritage.

We welcome your subscription to the Historical Society either as an active or passive member.

Please send this application form with your annual membership fee to the Treasurer, Helensburgh & District Historical Society, PO Box 150 Helensburgh, NSW. 2508.
